- WAC 173-443-080 Manufacturer notification. (1) A manufacturer of a product or equipment that contains, uses, or will use HFCs or other substitutes prohibited for an end-use listed in WAC 173-443-040 or a representative on behalf of the manufacturer, must report to ecology consistent with WAC 173-443-090 and 173-443-100.
- (2) It is only necessary for one person or entity to report with respect to a particular product or equipment.
- (3) In the event of a failure by at least one person to provide a complete, accurate, and timely report for a product or equipment within a specific end-use, ecology will require information from the manufacturer associated with the product or equipment in the following order of precedence:
- (a) The person or entity that manufactured, produced, or assembled the product or equipment, unless it has no presence in the United States.
- (b) The person or entity that marketed the product or equipment under its name or trademark, unless it has no presence in the United States.
- (c) The first person or entity, whether an importer or a distributor, that owned the product or equipment in the United States.
- (4) This section in no way limits the liability of any manufacturer as defined in WAC 173-443-030 associated with a product or equipment from enforcement under chapter 70A.15 RCW.
